

EX-GOV. GREEN DEAD.

New Jersey's Former Executive Succumbs to Heart Trouble.

Had Two Years Yet to Serve as a Vice-Chancellor.

Member of the Law Firm of Vanderpool, Green & Cuming.

ELIZABETH N. J., May 7.—Ex-Gov. and Vice-Chancellor Robert S. Green, of New Jersey, died at his home, West Jersey and Cherry streets, at 9:30 o'clock this morning. His death was caused by heart trouble and a complication of other diseases.

EX-GOV. ROBERT S. GREEN.

Ex-Gov. Green was born in Princeton, this State, March 25, 1831. He was the son of James S. Green, a lawyer and Justice of the Peace, whose father, Rev. Dr. Ashbel Green, was President of Princeton College.

Vice-Chancellor Green was graduated from Nassau Hall in 1850, and since then it conferred on him an honorary degree of LL. D. In 1853 Ex-Gov. Green was admitted to the bar.

During 1857 he was appointed Prosecutor of the Borough Courts by Gov. Newell, and in 1858 became the City Attorney of this city. He was elected to the City Council in 1868 from a strong Republican ward, and so great was his popularity that he continued to hold the office by successive re-elections until he retired in 1873. In 1882 he was elected Surrogate of Union County, and was appointed Presiding Judge of the Court of Common Pleas and County Courts in 1888.

During the succeeding year he was appointed by Gov. Randolph to the Commercial Convention at Louisville, as a representative from New Jersey. He was appointed by the State, in 1893, and confirmed by the Senate as one of the Commissioners to suggest amendments to the Constitution of the State. He was elected to Congress in 1894 from the Third District of New Jersey over John Keane, Jr., by a majority of 1,848.

In 1894 he became a member of the New York bar, as a partner of the firm of Brown, Hall & Vanderpool, which was afterwards changed to Vanderpool, Green & Cuming. He was very successful as a lawyer.

He was elected Governor of the State after a very exciting canvass in 1896 by a plurality of 8,000 over the late ex-Congressman Benjamin F. Howey, of Warren County. In 1900 Ex-Gov. Green

was appointed a Vice-Chancellor for a term of seven years. He had still two years to serve.

The arrangements for his funeral have not yet been completed.

JUDGE STINER'S TURN NOW.

An Effort to Have Him Removed from Office.

Samuel Greenbaum, of the law firm of Hays & Greenbaum, 170 Broadway, has announced that within a few days he will make formal charges against Civil Justice Joseph H. Stiner, before the Bar Association, and do everything in his power to have Stiner removed from office.

Mr. Greenbaum's charges are based upon a suit brought by A. J. Obermier, a carpenter, against T. H. Mulch & Co., Wholesale Liquor Dealers, in which Justice Stiner decided for Obermier last January.

According to Mr. Greenbaum Mulch & Co. made a contract with Obermier to put shelving in their store. It was specially stipulated that the shelving was to be made very strong. When placed there, the shelves would "hold a ton." Bottles of liquor were placed there and within a few days the shelves went down with a crash, doing about \$200 damage.

The firm refused to pay Obermier and he brought suit. Louis Lowenstein appeared as counsel for the carpenter, and obtained a decision for Obermier.

Lawyer Greenbaum alleges that he has learned Lowenstein was really only a sort of clerk or dummy, and that Justice Stiner was the real attorney for Obermier, for whom he gave a decision.

Judge Stiner said to an "Evening World" reporter that he had never heard of anything of the charges against him. Lowenstein was not in his employ, he said, and had no connection with his law business. They merely shared the offices at 317 West Tenth street. He did not know who Lowenstein was, he claimed. The Judge does not fear investigation by the Bar Association, and feels sure of an acquittal.

MR. HAYNES RESIGNS.

Equitable Assurance Society's New York Agent Resigns.

Archibald C. Haynes, who for many years has been the principal agent of the Equitable Life Assurance Society in this city, and is one of the best-known insurance men in the country, has retired from that company. His resignation was sent in to President Henry H. Hyde, of the Equitable, about two weeks ago, and it took effect April 30.

It is said that Mr. Haynes has left the city temporarily to attend to the estate of his father, who has been associated with him in business for many years, and has been appointed agent in his place.

BECHT WANTS TO FIGHT NOW.

Asks Judge Daly to Reopen His Wife's Separation Suit.

A. H. Hummel applied to Judge Daly, in the Court of Common Pleas, to-day to reopen the case in which Alice L. Becht obtained a decree of separation from her husband, Charles J. Becht.

The Bechts were married in Detroit, Mich., March 1, 1892. Mrs. Becht, who is not yet eighteen, claims that her husband treated her in an inhuman and cruel manner, and March 15, 1894, abandoned her.

Judge Pryor granted Mrs. Becht a decree Oct. 19, 1894. Becht made no defense to the suit. Mrs. Becht was awarded \$1,400 a year alimony. She claims to have not paid anything since last August, and is \$100 in arrears. Decision was reserved.

Gen. Newton's Will Filled.

The will of Gen. John Newton, filed for probate, was made on Aug. 1, 1890. The entire estate is left to Gen. Newton's widow, Mrs. Anna M. Newton, who is named as sole executrix. The value of the personal property is estimated at \$500. Gen. Newton left no real estate here.

GIRLS UNDER 10 CAN'T MARRY.

That Is, Unless They Have Consent of Parents or Guardian.

Clergymen Performing the Ceremony May Be Held as Accessories.

Judge McAdam called attention to-day to the new law on abduction.

"No magistrate or clergyman should after Sept. 1, 1906, perform the marriage ceremony where the female is under eighteen, without the consent of her parents or guardians," said he. "If he does he may be made accessory to a criminal offense."

"The Penal Code has been amended by an act passed April 27 last, providing that any person who takes a girl under eighteen, without the consent of her parents or guardians, is guilty of abduction and punishable by fine and imprisonment."

"While the act does not in terms declare such a marriage void, yet being in violation of law it may be voidable."

The age of a female is always problematical. The police way to determine it is to allow the lady to declare it herself and accept her statement, but this will not satisfy legal requirements, and no official way of ascertaining the age of the bride is provided for in the law.

The ceremony after Sept. 1 without first consulting the parents or guardian, unless she has made her impression in such manner as to defy deception."

MRS. LEASE A HYPNOTIST.

During an Investigation She Put an Attendant to Sleep.

TOPEKA, Kan., May 7.—Mrs. Mary E. Lease is a hypnotist. During an investigation against certain officers of the State Insane Asylum yesterday Mrs. Lease walked across the room to where J. L. Flint, an attendant at the asylum, was sitting, and with a wave of her hand he fell into a deep sleep.

"Mr. Flint, you look weary. Your testimony of yesterday must have been trying on you?"

Mr. Flint attempted to disclaim any such weariness, but Mrs. Lease made another pass of her hands, and Flint went "dead asleep."

"Mr. Flint," said Mrs. Lease, "did you read the report of your testimony in the Capital?"

"No," said Flint, "I did not."

"Well, you did not testify to any such thing as The Capital said you did, did you?"

"No, that's all wrong. I did not testify to anything of that kind. The Capital has got it all mixed up."

"See," said Mrs. Lease, "how stiff your arm is now. Flint's arm is now as rigid as a tent pole."

For ten or fifteen minutes Mrs. Lease made him do all sorts of things ridiculous and otherwise, and finally brought him out of his trance with a few passes of her hand.

Father in Jail and Mother Gone.

Shortly after 11 o'clock last night Policeman McCabe, of the Hamilton avenue station, Brooklyn, found three children lying in the doorway of their home at Columbia and Coler streets. There were Nellie Brennan, seven years, John, five, and Julia, eight months old. Nellie said her father was drinking and her mother left them for drunkenness and their mother left them alone. They were sent out in search of something to eat. They were sent to the Children's Society.

MADE HIM LOVE ANOTHER.

Effect of Schultze's Relations with Miss Hoerschelman.

The trial of the suit of Elizabeth Hoerschelman against Adam E. Schultze, a well-known young butcher, to recover \$10,000 damages for alleged breach of promise of marriage, was continued before Justice Cullen and a jury in Circuit Court, Brooklyn, this morning.

The couple became acquainted at the Butchers' Association ball in the Winter of 1894. He subsequently accompanied her to the Zoellner-Mannheimer ball, and it was while on the way to this ball that the plaintiff said Schultze proposed marriage.

He often called at her house during the next few weeks, but his visits became less frequent in time, and Miss Hoerschelman wrote taking him to task for neglecting her. He told her that he was involved of her, but that his association with her had awakened a love he had formerly entertained for another young woman.

The plaintiff's side of the case was completed yesterday. In his own defense, Schultze called the stand of a member of the family to come down stairs. Miss Hoerschelman testified yesterday that they were there fifteen minutes, and that Schultze then asked her to marry him. The butcher denied it, and said he had never used any expressions of love toward her.

The jury was out a short time when they returned and announced the verdict.

Henson told Judge Moore that he had repented his act and intended to take care of the woman and her children if he had not been arrested.
